

# The World Youth Conference

3rd- 5th November 2023 in Paris

## We will write History!

### Call for Interpreters

Dear friends and interpreters,

The "Youth Writing History" Network is currently preparing first world youth conference in Paris, France. With this conference, we will bring together youth activists from all over the world.

The conference is being prepared by a multitude of volunteers. Since the conference is multilingual, the interpreters play an important role in the success of the whole project.

The entire conference will be interpreted simultaneously in French, Kurdish (Kurmanji), English, Turkish, Spanish, Arabic (and if possible German and Italian).

Therefore, we would like to invite you, dear interpreters, to get in touch with us if you want to become a part of the team of simultaneous interpreters. Your help is greatly appreciated.

As with the participants, we can provide for free accommodation in family's and student's houses in and around Paris.

If you want to join us, please contact us at [info@ronahi.eu](mailto:info@ronahi.eu)

For further details please check our conference website:
